

BALINA

LOA : 34
GUEST : 16
TYPE : GULET
PORT : FETHIYE

Balina is Turkish for Whale and like her namesake, Deniz Felix Balina is BIG; 8 cabins, 4 with double beds, 4 with singles. The saloon is ample with three separate seating areas and the decks are spacious and offer both forward and aft dining areas. She is a beautifully maintained boat and an excellent choice for a large group or family.

On deck, the sun mats provide an ideal place to switch off and forget the everyday ratrace. Simply laze about, gaze at the sky, take in the sea breeze, day-dream and enjoy the gentle lapping of the waves.

The seating areas on the fore and after decks with large tables not only offer enough space to enjoy the diversity of Turkish cuisine from morning till evening, but they are also the main meeting point for communication with other passengers and the crew.
