Sailing System 2 Genoa and 2 Main Sail

Take a lot of sunshine and crystal clear water in all colours between turquoise and emerald, put some mild breeze, pine-shaded shores, lonely bays, steep coasts, exotic islands and, add a couple of olive, fig and lemon groves. Then mix them with bright blue sky, picturesque sunsets and enchanting starry nights. Would you like it? Well, if yes, then how about a "BLUE VOYAGE" on a Turkish wooden sailing yacht called GULET, hand-made of special timber, product of a thousand-year old cruise experience?

This is a journey full of surprises... The nature, the sea, ancient cultures of many thousand years with arts and mythology will create new adventures everyday. Not to mention the colours and the scents...This is a holiday far away from the daily routine, more reviving and refreshing than any other holiday you have spent before. There is literally no better way of relaxing, dreaming and feeling what life is! Taste the unlimited freedom on sunny turquoise water as far as eyes can see. Share it with friendly people around you. Just feel peace and joy!

In the meantime, a lot of titbits will be prepared for you. Since the Turkish cuisine is one of the best in the world, You will enjoy the delicious food and love the exotic flavour!

In the evening, taste a glass of excellent Turkish wine or raki and let the unforgettable times of the day pass in review and spend some time with your fellow travellers. Show them that you have a taste for romantics and fantasy.

The crew consists of three members; the captain, the cook and the sailor. They will take care of you in the best way of Turkish hospitality; never obstrusive but always kind and punctual. Anything from serving meals to cleaning is their job.
