

MEZCA

M/S MEZCA is a 28 meters (91.8 feet) Gulet which was traditionally built in 2008. Traditional hand craft is combined with today's technology to produce a unique yacht. The comfort of her guests was our privileged aim during the construction. The interior is handcrafted in selected and unstained mahogany, hand polished and varnished. M/S MEZCA offers spacious accommodation up to 12 guests. She has two master, two double bedded and two twin bedded cabins. We realized every possible detail, including a large jacuzzi on deck. Her five professional and pleasant crew is ready to make your holiday unforgettable.
