

# *ATLA*

Re-fitted and re-designed in 2005

Atla is a typically Traditional Turkish Wooden Yacht . These yachts are generally motorsailor yachts and build by wooden. Atla brings you very luxury holiday trips with her spacious deck space.Two master cabin and four double guest cabin with AC. All cabins are en suite WC and showers.Most important is delicious Turkish food . The cook is really fantastic and serving you each lunch and dinner different samples of Turkish dishes.

Atla has ready to host 8 to 12 guest with her 6 cabins. 3-4 crew are doing their best to make satisfied the guests along the journey. You can programme your journey or we can do some advices you for the routes.
