

"SAMARK"

Built in Bodrum, Turkey and launched in May 2007, our 24 meter long new flagship, the M/S Samark, is **a luxury gulet with four cabins**. She is perfect for small groups wishing every comfort on their Blue Cruise along the Turkish coast.

Fully air conditioned, she has a large cushioned area and a dining table for 8 guests on the aft deck, another seating area with a cocktail table in the front, an elegant indoor saloon and a spacious deck.

M/S Samark has 4 comfortable staterooms of equal size: 2 double and 2 twin. Each stateroom has an en suite bathroom with fully enclosed shower in natural stone mosaic tiles, hair dryer and electric toilets. Other amenities include custom bathrobes, down comforters, individual air conditioning controls in each cabin and a fully equipped galley.

Our smiling and dedicated crew of four will make sure that you thoroughly enjoy your cruise on this elegant yacht.

Aboard you'll find all safety and navigation equipment, VHF, freezer, refrigerator, icemaker, washing machine and dryer. For your entertainment: TV in the saloon, VCR, CD and DVD player.

Water sports: 4m20 Zodiac with 50 hp outboard, water ski and wakeboard (fuel is extra), 2 canoes, snorkeling gear, windsurf upon request.
